Truck Driver Is Warmer In

PHILADELPHIA.—There's something  
warning about a refrigerator  
these cold, wintry days.  
George McClain, milk truck  
driver trapped in the refrigerator  
of his vehicle when wind blew the  
door shut, says he has never  
preferred staying inside if there had  
been enough air to breathe.  
The refrigerator's thermometer

Misses Joe Ann Clark and  
Marjorie Murphree, students  
at University of Alabama,  
spent Easter holidays with  
their parents in Elba.

Friends of little Joyce Rufus  
Money, of Panama City,  
gave her a surprise party  
turned in to date. The amount  
turned in and the progress  
on sales of tickets for the  
auto to be given away  
May 31, are very disappointing.

There seems to be a lack  
of interest in the band, even  
among parents who have  
children in the band. There  
are those who want their  
children to participate and  
enjoy the benefits, but do not  
want to help out with the  
finances.

"The Lions Club assumed  
the responsibility of raising  
approximately \$3,500 to pay  
for these instruments depending  
on the wholehearted support  
of all Elba citizens. We are  
not getting this support. Some  
families are opposed to the  
method we are using in raising  
the money. If this is your case,  
you can make a direct donation  
to the band fund.

It is your duty and responsibility  
to help some. If you have  
children in the band, if you  
don't have, you should still  
help support the band as it  
will certainly be a great  
asset to the school and the  
City of Elba.

Mr. Almon Strain is putting  
tireless effort in organizing  
and instructing the band,  
and has accomplished more  
than most people realize.  
Go to band practice at  
6:30 Tuesday and Thursday  
evenings and see for yourself  
what has been accomplished.

We are depending on the  
people of Elba to wake up  
and help put this band project  
over. If everyone will  
help some it won't be hard  
on anyone. Do your part by  
making a donation to the  
band or through ticket sales.

Assembly of God

A revival is now in progress  
at the Elba Assembly  
of God, conducted by Rev.  
Charles Lindsey, of Enterprise.

The lovely bride entered  
alone and was met at the  
altar by the groom and his  
brother, John William Stephens,  
who served as best man.  
The bride wore an attractive  
white gown, and the groom  
wore a tuxedo. The ceremony  
was a simple one, becoming  
lines, with rhinestone trim.  
Her only ornament was a  
rhinestone clip, giving the  
groom. Her small heart-  
shaped hat was of pink roses  
with a white veil. She wore  
white elbow length gloves,  
and other accessories were  
black. She carried a white  
prayer book, adorned with  
a yellow - throated orchid.  
The bride, showered with satin  
ribbons and split carnations.  
Mrs. Dowling, mother of the  
bride, was attired in black  
embroidered crepe. Her  
flowers were a corsage of  
pink carnations. Mrs. Stephens,  
the groom's mother, wore  
a costume of black crepe  
and a shoulder corsage of  
white carnations.  
An informal reception followed  
the ceremony.  
The dining room was decorated  
in all white flowers, greenery  
and tall white tapers. On the  
table was a spray of  
arrangement of lilies and gladioli,  
interspersed with slender  
tapers.

The bride's table was  
velled in lace over white  
satin. In its center was the  
beautiful tiered wedding cake  
in all white ornamentation of  
spin sugar roses and lilies,  
surmounted with a miniature  
bridal couple. At the base of  
the cake was a frill of white  
cotton and ribbon. Encircling  
the cake were white sweet  
peas and dainty greenery.  
The bride carried a light gray  
table with crystal candelabra  
in which burned tall  
waxen tapers, and cornucopie  
filled with salted nuts. Bridal  
ices and cake were served  
by Mrs. Chris Paul, Mrs. John  
Whitman, Mrs. L. A. Boyd,  
Miss Judy Bradley, Miss  
Laurie Brock and Miss Win-  
fred Grimes, Mr. and  
Mrs. Stephens is the older  
daughter of Mrs. O. Dowling  
and the late Mr. Dowling.  
She is a favorite in the young  
social set, and is popular  
with a wide circle of friends,  
both young and old. She is  
graduate of Elba High

Mrs. K. M. Bentley has returned  
home after an extended  
visit to Colorado Springs,  
Colorado.

Misses Joe Ann Clark and  
Marjorie Murphree, students  
at University of Alabama,  
spent Easter holidays with  
their parents in Elba.

Friends of little Joyce Rufus  
Money, of Panama City,  
gave her a surprise party  
turned in to date. The amount  
turned in and the progress  
on sales of tickets for the  
auto to be given away  
May 31, are very disappointing.

There seems to be a lack  
of interest in the band, even  
among parents who have  
children in the band. There  
are those who want their  
children to participate and  
enjoy the benefits, but do not  
want to help out with the  
finances.

"The Lions Club assumed  
the responsibility of raising  
approximately \$3,500 to pay  
for these instruments depending  
on the wholehearted support  
of all Elba citizens. We are  
not getting this support. Some  
families are opposed to the  
method we are using in raising  
the money. If this is your case,  
you can make a direct donation  
to the band fund.

It is your duty and responsibility  
to help some. If you have  
children in the band, if you  
don't have, you should still  
help support the band as it  
will certainly be a great  
asset to the school and the  
City of Elba.

Mr. Almon Strain is putting  
tireless effort in organizing  
and instructing the band,  
and has accomplished more  
than most people realize.  
Go to band practice at  
6:30 Tuesday and Thursday  
evenings and see for yourself  
what has been accomplished.

We are depending on the  
people of Elba to wake up  
and help put this band project  
over. If everyone will  
help some it won't be hard  
on anyone. Do your part by  
making a donation to the  
band or through ticket sales.
